

# childhope ANNUAL REPORT | 2021

See where your giving goes – and the impact you made!

## INVESTMENT

## INCOME

**3,046** students  
awaiting sponsors

*(over, please)*

ChildHope provides **compassion, education** and **transformation** for children in desperate need.

## Make an impact today – tomorrow – forever

**Y**ou're already making a dramatic impact in the life of your sponsored child or children, and we're grateful! You're also helping lift up vulnerable children and families through your support of special projects like the Extreme Poverty Fund ...

And now there's a way to ensure that this legacy of love you're building will continue into the future – even after you go home to be with the Lord:

You can include ChildHope in your will or estate plan. A Christian will ensures that when you depart, your resources go

to your family and the ministries you support.

When you make a bequest for ChildHope, you can give a set amount or a percentage of what's left after you provide for family members and pay any taxes or fees. However you choose to structure your gift, you have the joy of knowing you'll go on bringing hope to children in need for years to come!
